*CVA Credential Information Session*

*Take the next step in your career as a leader of volunteers and become certified in Volunteer Administration (CVA).*

*Leaders in non-profit organizations and community groups increasingly understand that volunteers can be a critical resource for delivering on a mission. Effective people management and community engagement is imperative – whether they be paid or unpaid. As a result, employers expect that those individuals tasked with mobilizing and coordinating volunteer engagement demonstrate a thorough knowledge of effective practices and an understanding of how to apply that knowledge in support of real-world organizational priorities.*

### **Professional Ethics in Volunteer Administration with CCVA**

12:00 PM - 01:30 PM EST

*Join the Council for the Certification in Volunteer Administration for a free learning session on the Professional Ethics in Volunteer Administration.*

*Am I Making the Right Decision? The Role of Ethics in Volunteer Engagement*  
*We all encounter ethical dilemmas in our daily work with and for community, but rarely do organizations focus on ethics related to volunteer engagement. This session provides an opportunity for practitioners to understand the difference between personal, organizational and professional ethics. The core values and principles identified by the Council for Certification in Volunteer Administration (CCVA) will be shared. Participants will learn a process for ethical decision-making that can be applied in any situation, and then practice this using real-life scenarios related to volunteers. Finally, several specific strategies will be offered for increasing awareness of ethics within an organization and helping both volunteers and staff become more effective at handling ethical dilemmas.*
