November 14: Implementing Indian Education for All (IEFA)

The IEFA team from the Office of Public Instruction will provide updates and resources to help you effectively integrate Indian Education for All into your curriculum. This session is particularly important as we work together to honor Montana's rich cultural heritage and ensure that all students receive a well-rounded education.

SAM will continue with our monthly webinars this school year, which are open to all SAM members. The webinars are free. The information is intended to be relevant, just-in-time, and hot topics in education. Mark your calendars for the second Thursday of each month from 10:00 - 11:00 AM.
